#Momentum Series 2021 | Webinar on Sexuality Education for Parents & Educators

- Date: Saturday | 20 November 2021
- Schedule: 10am to 12noon | 1pm to 3pm
- Registration via QR Code by 14 Nov 2021

PURPOSE | FORMAT

To equip parents and educators on how to disciple our children and students on sexuality matters. The programme is a dynamic mix of keynotes, candid conversations, panel discussions, and prayer.

KEY TOPICS

- What is the Christian perspective according to God's original design and why it matters?
- Who is responsible to teach our young about sexuality?
- How do we talk to a child/student about homosexuality and gender identity?
- What should we do when our child or student struggles with same-sex attraction?

SYNOPSIS

Consciously or unconsciously, society expects parents and educators to have all the answers to life, including a hot trending issue like Sexuality.

Human Sexuality is a delicate topic. What is age-appropriate content? Who should be the one teaching our children about sexuality? Is UNESCO's *Comprehensive Sexuality Education* helpful at all?

Parents may find it awkward to talk about sexuality to their children. Teachers may find it a heavy responsibility, extra-curricular. It need not be that way. Help is available. And instead of zipping lips and letting social media shape the thinking of our children, we must draw from what God says about sexuality and point them in the **way** they should go. The parents' involvement is especially crucial because deep down, young people want their parents' guidance on sexuality matters.

[# David & Goliath Preschool \(“DGP”\) Bursary](#)

As part of DGP’s community outreach efforts through the provision of childcare services, we have launched the DGP Bursary Scheme to enable children from low-income families to receive quality preschool education with DGP. For a start, qualifying children would enjoy up to 20% subsidy on their monthly net school fees.

Looking ahead into the future, it is our desire that DGP be able to offer greater financial assistance beyond the current subsidy cap of 20% to children from low-income families, especially to those below the 25th percentile of Singapore’s population (i.e. less than \$3,000 gross monthly household income).

We appeal to JCC members to consider DGP as an outreach ministry of JCC and humbly seek your financial support through your tithes & offerings to finance this DGP Bursary Scheme. Please refer to the contribution details below.

Above all, we ask that you join us in prayer that through DGP the love of God may be shared with the children and their families, and many may come to receive salvation in Jesus Christ. Amen.

For contributions to DGP Bursary Scheme:

1. Internet Banking – Transfer to OCBC 514-058452-001

Kindly indicate “**DGP**” in the remarks / reference field.

[DGP Bursary Scheme](#)

As part of DGP’s efforts to help the low-income households in the community, we are launching the DGP Bursary Scheme to provide school fee subsidies to qualifying students. Under this scheme, we will set aside 10% of DGP’s student capacity for qualifying students.

For a start, qualifying students will receive a bursary amount of up to 20% of net monthly school fees (after deducting all Government subsidies). In the longer term, we hope to offer greater financial support to students from low-income households.

To help fund this Bursary Scheme, we will be organising some fundraising initiatives and we would appreciate if you can support us.

Below are some merchandise you may purchase as part of the fundraising. Our ecommerce site will be launched on **14 Nov (Sun)**.

If you intend to get some gifts for Christmas, this is an opportune time to get gifts, bless the ministry and the community.

More details will be provided during the subsequent announcements. Please reach out to Alan Soh or Janet Cher if you have queries.

FUNDRAISING CATALOGUE
