Epiphany

We have entered into the season of Epiphany. Epiphany means the manifestation of Christ as the Messiah to the world. The story of the visitation of Magi (non Jews), who came from the East, is the classic example that God's redemptive plan for human race is found in Jesus Christ.

Today, every believer is called to "show" Christ's love and His redemptive mission urgently before His return. May every JCCian rise up to be salt and light to the world.

Revelation and Today: How to Read the Book of Revelation organised by LCS

Are we living in the End Times? What is 666? What are the Plagues, Tribulation, Millennium and Rapture all about? Those who wish to know more about these should attend. Are the Letters to the Seven Churches still relevant today? What is the purpose of the Book of Revelation? The last book of the Bible contains many imageries and symbols. This course will help you interpret the Book from a Lutheran perspective while respecting other views. Various eschatological views of the End Times will be discussed. This will be a 7-week study on the Book of Revelations with an interesting video for each lesson. A study guide is also available.

This is an online course from 4 Jan to 22 Feb 2022, Tuesdays, 7:30 pm - 10 pm.
