

LET OUR VOICE RUN BULLETIN

ABOUT THE CAMPAIGN

LOVR is a campaign organised by LCCS to help end relationship violence on campus. The campaign focuses on taking a proactive approach and promoting restorative initiatives to address abusive behaviours experienced by young adults in IHLs.

At LCCS, we are working hard to spread awareness on relationship violence and organise campaigns to create room for open dialogue, facilitating understanding and healing.

EVERY DOLLAR COUNTS

Donate to our **giving.sg** campaign
