Celebrate Christmas in Singapore For the past 21 years, Celebrate Christmas in Singapore (CCIS) has united churches and Christian organisations in a shared mission to proclaim the Gospel of Jesus Christ in the heart of Orchard Road — Singapore's bustling shopping district and one of the city's most visited tourist destinations. This initiative presents a unique opportunity that the Lord has graciously entrusted to the Church in Singapore to serve as his ambassadors, bringing the message of hope and salvation to people from all walks of life.

The annual budget for CCIS is \$350,000, and a fundraising dinner was held on 9 September to support this vision. The goal is to raise one-third of the total budget through this and another event. CCIS (a member of NCCS) still has a long way to go to meet the budget. We encourage you to prayerfully consider supporting CCIS and its mission. Contributions can be made to Celebrate Christmas in Singapore Ltd (UEN 200412861GCC).

The Thirst Collective includes Christian websites like Salt&Light and Thirst, and evangelistic efforts 还好吗 and Stories of Hope. This non-profit ministry "unites the church, equips believers, spotlights good works, and engages the lost".

The charity depends on donations to continue with its ministry. This year, the faith goal is to raise S\$1 million from individual donors. The Christian community is invited to be part of its annual Fundraising and Awards Gala dinner on Friday, 26 September. The event will feature the launch of The Salt&Light Inspiration Awards, a landmark initiative to honour heroes of faith in our midst. You may register at this [LINK](#)
